

WESSEX WINGS

Let me introduce ourselves. We are members of Wessex Wings, which is a region within the Goldwing Owners Club of Great Britain. One of the largest motorcycle clubs in Europe.

On the 5th to the 8th May 2011 we organised our bi-annual get together at Newlands Holidays, Charmouth in Dorset where we have members come from all over England and sometimes Europe to spend the weekend.

One of the highlights is to arrange some excellent evening entertainment for the Saturday evening. In this case we asked **Alto Duo** to come along.

What a night!!!! The two guys in the band, Alec and Tony put on a really good programme of music that kept us on the dance floor all night. Not an easy thing to do being the type of club we are.

Their variety of music suited everyone's taste and the quality of their music sounded as if they were supported by a full band.

Comments that were made about Tony and Alec at the event and messages received since were excellent and in fact we can promise you, that there have been no bad comments

If you are looking for a good band, with a good variety of music then you cannot go wrong in booking Alto Duo. We certainly will be booking them again in the future

Well Done Alec and Tony and a big thanks from Wessex Wings
